

2025 METERING CHARGES

IMPORTANT INFORMATION

- Metering should be contacted if you are unsure which charge applies, or if there is any dispute regarding charges.
- 'Ofgem Meter Accuracy Test' and 'Check Meter Installation & Removal' are chargeable at the time of request. Fee will be refunded if meter is found to be faulty.
- Emergency and Urgent visits are free of charge when attending to resolve off-supply situation where the customer is not the cause (meter fault).
- Removal charges below do not include the full cost associated with removal. Removal fee process is made up of 3 potential charges:
 1. Meter Removal Fee: As quoted in the document.
 2. Contract Breaker Fee: If the customer is under contract, this may apply – should be queried with commercial.
 3. Early Removal Charge: If we are contracted with the Meter Asset Provider (MAP) there might be an additional charge for removing the meter.

Last Reviewed March 2025.
